ॐ सूर्यनारायणाय नमः

जपाकुसुमसंकाशं काश्यपेयं महाद्युतिम्
तमोऽरिं सर्वपापघ्नं प्रणातोऽस्मि दिवाकरम्

The worship of the Sun is as old as civilization.

I bow to you, O Surya, the Son of Kashyapa Muni, the destroyer of darkness and all sins, whose luster is like that of red Jaswand Flower. The worship of the Sun is as old as civilization.

The Sun that awakens man from darkness, the Sun that is so brilliant that it cannot be seen by the naked eye evokes awe in the human mind. In the Rig-Veda, Surya has been described as the life (atma) of all creation. Surya is praised as the God of Gods (Rig-Veda 1.50.10). Homage is paid to Surya by chanting special names while offering him salutation-Surya Namaskara. These twelve names that we use to worship Surya serve to remind us of his glory and power and to be eternally grateful for his constant blessings in our life here on earth.

**Suryadatta Group of Institutes,

Since long has been its very existence,
Hence, far and wide has spreads its fragrance**

Dear Prof. Dr. Sanjay Chordiya & Mrs. Sushama Chordiya

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely,

Mohan Dharia

Theme Based Exhibition Organised By Suryadatta Students

To showcase the academic and extracurricular talent of the students, PIAT organises a mega exhibition “AURA” every year. It is a theme based exhibition by means of which students get a vibrant platform to showcase their hidden talent and art. This exhibition also provides good opportunity to display their work and get the placement assistance as many Architects, Interior Designers, Builders, Suppliers, Service providers visit this exhibition.

Being a theme based exhibition, each year for the decoration we used various themes like Under Water, Seven Wonders, Best from the waste, Garage, Ajanta caves, Palace, Reflection, Motion etc. Through the exhibition we tried to put focus on some of the social issues like joint family and nuclear families, old age homes etc. Free service of design consultancy to the society was also initiated by the institutes. These themes are created with the aim to add unique identity and interest for the exhibition.

Each year PIAT students and faculty members work day & night to make the event successful. During the exhibition student exhibit their projects, models, paintings, handicraft and portfolios. This event is open for all. It has been receiving tremendous response every year. This is one of the most awaited event for all the students and faculty members. Our Shooting Stars towards Success...

METEORS

About Meteors

This new-fangled edition of our “METEORS” is the very footstone of our success towards eliciting a bulletin defining the modus operandi of our institute ‘SEF’S PIAT’. Meteors is a booklet which displays the various works and achievements by our ex-students, ie. “Our shooting stars.” These students have moved really fast into the field of design to create a bright future for their career. They shine like a shooting star in the field of interior design. This book is an initiative to give a platform to our ‘meteors’ to show the world their work and creativity. And to motivate the ‘new comers’ in the field to be one of them. Our only intention behind publishing the book is to encourage all our students to work harder and harder towards becoming the brightest stars in our field. This being our very first edition we intend to elucidate entire year’s curriculum, the trend setters, our dictum and our purpose while scripting this. We would like to disclose sincere gratitude to our Principal Mr. Ajit D. Shinde, who has been the guiding light behind the advent of the annuals.
