## Report

The Event took place on 5<sup>th</sup> of June, 2022, Sunday, in the campus of Savitribai Phule Pune University. It was to celebrate the Rajyabhishek Sohala(Coronation Ceremony) of Chhatrapati Shivaji Maharaj. The chief guest of this event was opposition leader Mr. Ajit Pawar, he graced the event with his presence and also enlightened us with his words.

Chhatrapati Shivaji Maharaj was coronated on 6<sup>th</sup> June, 1674. He is fondly remembered as a great leader, warrior, ruler. Born on 19 February 1630, on the Shivneri, Maharashtra; he defeated many emperors in his lifetime and was one of the most effective leaders of all time. Chhatrapati Shivaji Maharaj is the founder of the Maratha empire, and is called Maratha leader but is known for his unbiased leadership towards Swarajya (self-rule). His father Shahaji Bhonsle was a general who served the Deccan Sultanates. His mother Jijabai (Jijau-mata) played a very important part in his upbringing. She dreamt of the Swarajya and shaped young Shivaji in a way that he would become the most influential leaders of all time. Even today his examples are given, his teachings are followed and he is celebrated in every person's heart.

In the event there were many guest speakers including Mr. Ajit Pawar, former Vice-Chief Minister and Mr. Uday Samant, former Education Minister. The event started with Powadas (genre of Marathi poetry during late 17<sup>th</sup> Century), in which the story of Chhatrapati Shivaji Maharaj; from birth till death was sung and told. After that Mr. Ajit Pawar inaugurated the Indoor Hall in SPPU. After his arrival in the hall where all attendees were already seated, the students of SPPU started with presentation of Dandpatta, Malkhamb, etc. Then Mr. Pawar clicked a photo with the students and then proceeded towards the stage where all dignitaries were felicitated. The event started and ended with national anthem.

Then all the dignitaries on the dais enlightened us with their thoughts and ambitions. Also, the chairperson of SPPU declared that a swimming pool, running track, etc are going to be build in order to ensure that our students get great opportunities in sports as well. The whole experience was very informative and motivative.

After the dignitaries left, all National Social Service (NSS) representatives were told to stay. All the students and their respective teachers were told about the upcoming NSS activities and also about the WE Citizens application. At the end of the event SPPU gave stamped certificates to all students.

The event helped us get to know about the upcoming activities and developments of SPPU. It also helped us to actively participate and represent our college as a part of SPPU as well as NSS.

## REPORT

**Date:** 18 October, 2022

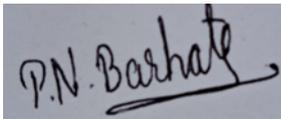

**Venue:** SCMIRT, Bavdhan, Pune

**Timing:** 12:00 pm to 01:00 pm

We all celebrate Diwali and are tremendously excited for the vacations as we get to be with our family and friends and eat the all sweets and have a gala time; but unfortunately, this is not the case for all of us. Local shopkeepers, hawkers, beloved street animals, nature, mother earth surely do not have a great time. May it be because of the people who shop only from malls and expensive shops or those who light up crackers in the name of tradition! That is why, ahead of the Diwali vacations, NSS Team of SCMIRT decided to spread the word for a safe and healthy Diwali among the students and staff members. All volunteers went to the staff room, classrooms and also put up the posters and messages on their social media accounts. Not only had this but they even put out a word to all SCMIRT to spread these messages and make sure that everyone has a safe Diwali.

There was a great support as our teachers and classmates did put up these messages and made sure that the word is spread among family and friends.
