About IQAC

The Internal Quality Assurance Cell of Suryadatta College of Management Information Research and Technology (SCMIRT) has established on 5th September 2018. IQAC of the college is the central nodal unit is primarily focused in internal quality. It ensures the coordination among various departments. IQAC has been taking honest efforts to establish the procedures relating to various aspects right from identification of needs of the students to feedback of various stakeholders and finally the review of processes for continuous improvement.

Quality Policy

We at SCMIRT, are devoted to impart quality education in the field of Commerce and Science in order to help the students to explore their potential and empower them with sound managerial, entrepreneurial and life skills, and excel through curricular, co- curricular, extracurricular, research and extension activities with the help of technological tools, through continuous improvement and performance based initiatives for maximization of stakeholders' satisfaction. The primary objective, thus, of the IQAC is look into rather than at the college processes with a perspective of providing quality to all stakeholders.

Objectives of IQAC

As per the guidelines of National Assessment Accreditation Council (NAAC), IQAC has been established to attain the following objectives.

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies: -

Principal
Suryadatta College of Management
Information Research & Technology (SCMIRT)
